## A BRIEF HISTORY

# THE JESAIAH FOUNDATION

### OUR MISSION

As a Nonprofit Organization, The Jesaiah Foundation is dedicated to empowering individuals in communities through SET (Spirituality, Education, and Technology).

Our mission is to:

- Support and sponsor community-based health and human service initiatives to balance a healthy mind, body, and spirit.
- Present and preserve the achievements of young adults and their significant contributions to society with YA201.
- Promote and sponsor projects that improve and enrich lives throughout the community.
- Prepare individuals for community service, leadership, and technology use.
- Advocate for the well-being and improved education of individuals in areas of need.

### The Jesaiah Foundation

TJF was established in memory of Jesaiah L. Moore. Jesaiah was a 4-year-old little boy who passed away after giving love like none other. He would speak to everyone he met, give hugs to strangers, and shake hands while introducing himself.

The Jesaiah Foundation embodies what Jesaiah stood for as TJF focuses on Spirituality, Education, and Technology. Jesaiah read books almost daily, played on his “ipack” (as he called it) without assistance, enjoyed running, eating salad, meditating in the dirt, and clapping very loudly in church. Most importantly, he loved.

Our mission is to support and help individuals through inspiration, awareness, creative programs, and unique services within communities.
