A BRIEF HISTORY

THE JESAIAH FOUNDATION

OUR MISSION

As a Nonprofit Organization, The Jesaiah Foundation is dedicated to empowering individuals in communities through SET (Spirituality, Education and Technology).

Our mission is to:

- Support and sponsor community-based health and human service initiatives to balance a healthy mind, body and spirit.
- Present and preserve the achievements of young adults and their significant contributions to society with YA201.
- Promote and sponsor projects that improve and enrich lives throughout the community.
- Prepare individuals for community service, leadership and technology use.
- Advocate for the well-being and improved education of individuals in areas of need.

The Jesaiah Foundation

TJF was established in memory of Jesaiah L. Moore. Jesaiah was a 4-year-old little boy who passed away after giving love like no other. He would speak to everyone he met, give hugs to strangers and shake hands while introducing himself.

The Jesaiah Foundation embodies what Jesaiah stood for as TJF focuses on Spirituality, Education and Technology. Jesaiah read books almost daily, played on his “ipack” (iPad) without assistance, enjoyed running, eating salad, meditating in the dirt and clapping very loudly in church. Most importantly, he loved.

Our mission is to support and help individuals through inspiration, awareness, creative programs and unique services within communities.
